### **Notice Requirement**

MUNICIPAL CODES 135-13:B

Any connection or disconnection of water services requires a forty-eight (48) hour notice to the Town.

### **Emergency Service**

MUNICIPAL CODES 135-13:C

In the event of an emergency (broken service line) within private property, the Town will shut off the service line (at no cost) so that repairs may be made by the property owner. If the Town Utility Department is called out a second time to shut off the resident's water due to another break in the service main, a fifty-dollar (\$50.00) fee will be charged for shut-off service for the second and any subsequent shut-off services made by the Town's Utility Department.
