Richard Woodruff, representing the South Area and Augie Fraglia, representing the North Area were present. The majority of the discussion involved the areas not wanting to annex into the Town and also involved discussion on utilities. The Growth Management Committee and Local Planning Agency decided they needed to resolve the utility matters before the plan could be completed. They asked Mr. Woodruff and Mr. Fraglia to return to the next meeting with some ideas of other communities on how they handle regional systems.

The Town Clerk was asked to schedule another meeting for May 28, 2008 at 5:30 P.M. Several of the members reiterated they did not want to continue revamping a plan they have already worked on for two years.

Meeting adjourned at 7:10 P.M.
