

SAFETY FIRST

The Town of Lake Placid is committed to provide its employees with a safe and healthy workplace. Management, as well as the Safety Committee, will be actively involved with employees in establishing and maintaining an effective safety program. To make this possible, the Town's Safety Committee has assembled a safety manual and offers monthly safety trainings for all employees. The Town has also established an immunization policy, which is designed to protect employees from communicable diseases.

And as needed, the Town purchase safety equipment and safety supplies to ensure its employees with the maximum safety measures.

To report any safety or health hazards within the town limits please contact our Safety Coordinator. The primary responsibility for the Coordination, implementation, and maintenance of our workplace safety program has been assigned to:

Name: James Westcott, Safety Committee President

Title: Streets and Park Foreman **Telephone:** 863-699-3747

The mission of the Town of Lake Placid Safety Committee is to improve and maintain a safe and secure environment for the Town's staff and public with continual on the job trainings. Our goal is to install procedures to eliminate preventable accidents and implement precautions to minimize, if not eliminate, unanticipated accidents.

It's the safety committee's goal to ensure safety and keep a hazard free environment.
