

PRECAUTIONARY BOIL WATER NOTICE

The Town of Lake Placid Utilities is Issuing a "precautionary boil water notification" due to a Water Main Break for addresses Grandview Blvd, North of Tomoka Blvd to 135 Grandview Blvd. Chestnut Trail and Redwood Trail. We advise that all water used for consumption be boiled. A rolling boil of one minute is sufficient. As an alternative, bottled water may be used.

This "precautionary boil water notice" will remain in effect until a bacteriological survey shows that the water is safe for consumption. When we receive clearance from samples that were submitted, another notification will be provided notifying you that we are rescinding the "precautionary boil water notice". Typically, these notices are rescinded within 48-72 hours.

This email is generated from an email address that is not monitored. If you have any questions about this notification, please contact (863) 699-3747.
